Brethren,

As discussed at our last meeting (Wednesday, September 14<sup>th</sup>) Lee Linder has been officially suspended through the end of our Masonic Year and until the end of the current Most Worshipful Grand Master's term (January 28, 2017). The office of Worshipful Master needs to be filled: therefore an election & installation for a Worshipful Master to finish the current Masonic Year will take place at the October 12, 2016 stated meeting).

The October schedule is in the events portion of this Trestleboard. There will be a ritual practice on Wednesday, October 5 and will start at 7pm (Opening/closing, Funeral Proficiencies, and an FC practice).

We will be exemplifying the Fellow Craft degree on our Wednesday, 10/26/16 meeting. Brother Chris Womack is the Director of the Work and has many parts available.

Please join me in congratulating Brother Sean Trusty on his Master Mason proficiency. Let us assist our Entered Apprentices and Master Masons working on their proficiencies so that they may take the next step in their Masonic journey. Also, please let the Lodge know if you have, or need a petition for a friend, co-worker, or relative you think would be an asset to Lafayette Lodge.

As always, please contact any Officer if you have any ideas, questions, or concerns.

Fraterally,

Brother Alan DeGeorge  
Worshipful Master (Pro-Tem)

Symbol of the Month  
Masonic or not?

Last month:

The Hebrew letter is, equivalent in sound to I or Y. It is the initial letter of the word Jehovah, the Tetragrammaton, and hence was peculiarly sacred among the Talmudists. Basnage (book iii, chapter 13), while treating of the mysteries of the name Jehovah among the Jews, says of this letter: The Yod in Jehovah is one of those things which eye hath not seen, but which has been concealed from all mankind. Its essence and matter are incomprehensible; it is not lawful so much as to meditate upon it.

Man may lawfully revolve his thoughts from one end of the heavens to the other, but he cannot approach that inaccessible light, that primitive existence, contained in the letter Yod and indeed the masters call the letter thought or idea, and prescribe no bounds to its efficacy. It was this letter which, flowing from the primitive light, gave being to emanations. It wearied itself by the way, but assumed a new vigor by the sense of the letter t which makes the second letter of the Ineffable Name. In Symbolic Freemasonry, the god has been replaced by the letter G. But in the advanced Degrees it is retained, and within a triangle, as in the illustration, constitutes the symbol of the Deity
