Message From the East

Brethren,

Another month is done in 2013 and another eight months to go. First I would like to talk about our latest gathering on April 10th 2013. I want to send a round of hardy cheer to WB Winston Scott who was recognized by the Most Worshipful Grand Master of Masons of Colorado Dana A. Speaks and with the assistance of his grandson Chris Womack presented WB Scott with his 50th year pin and award for being a member within the craft. When you get a chance, congratulate him on a job well done.

Next month will be our last month before we go dark. To the EA, FC, and MM still needing to do their proficiencies because we are dark does not mean that we cannot have a special and hear your proficiencies and still vote or if you do it before we go dark does not mean that we can hold a degree while we are dark. But let us try and get those proficiencies complete before we go dark.

We have gotten away from our goal in getting honor lodge this year. I would like to get back on track and getting some of the hard requirements out of the way we will be talking about this in our next meeting. I would like to get some traveling done also. I would like to see if we can get and keep the traveling gavel for a few months or at least for one meeting before someone comes and gets it.

We will have a step up night before and a double step up night when we come back from being dark along with our visit to Garfield Lodge #50 for the silent 3rd degree MM only.
