Greetings Brethren!

I hope all of you have had a great summer.

We will be having our annual end of summer Picnic/BBQ at my home for the Lafayette Masonic Family and Friends Saturday September 19 from 1-4pm. We live at 1164 Par Road, Broomfield, Co 80020. Greta and I will provide the burgers, hotdogs and sausage, buns, chips, drinks and condiments. Please bring a side dish or desert. Please let me know if you are attending the picnic so I can have enough chow. Additionally bring swim suits and towels for the kids or yourselves to try out our new splash pad. Also please consider bringing interested potential new people so we may get acquainted.

Our next communication will be on Wednesday September 9 at 7pm where we will be discussing the Grand Lodge Budget session, and scheduling a Fellowcraft Degree for Bro. Drew Schrupp and hearing several proficiencies.

See you then

S&F,

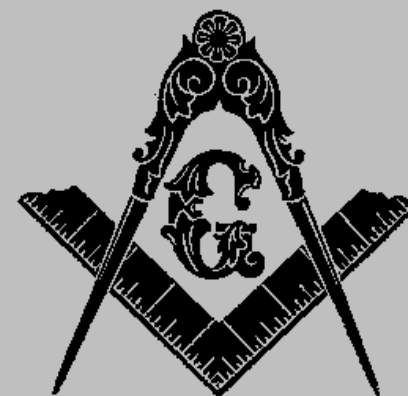

Bruce Lawlor  
Worshipful Master

## The Freemason

Writer: Allen Johnson

Director: Sohrob Mirmont

*A wealthy banker lies brutally murdered. The banker's daughter and only heir, Rana (Alex McKenna) calls upon Cyrus (Randy Wayne) a brilliant but eccentric freelance writer, to assist in the investigation. Teaming up with homicide detective, Leon Weed (Sean Astin), Cyrus and Leon are quickly thrust into the cryptic world of Freemasonry, pursuing a legendary relic. They begin by interviewing Grandmaster Sheldon Lombard (Richard Dutcher) and a 32nd Degree Freemason named Jericho Beck (Joseph James). As the evidence leads them to a few select members of the banker's inner circle, the duo is forced to examine elements beyond their natural senses- and must do so quickly before the killer strikes again!*

## Harry Houdini

April 16, 1874 - October 31, 1926

Born Erich Weiss, Harry Houdini was a world famous escape artist and trapeze performer, as well as the inventor of the diving suit, and the first successful aviator in Australia.

Houdini was not alone among masonic magicians, a group which included such notables as Harry Keller, Howard Thurston, and Harry Blackstone. His untimely death has been the topic of much folklore: his burst appendix was not caused by an earlier blow to his stomach nor did he collapse on stage.

Initiated: July 17, 1923

Passed: July 31, 1923

Raised: August 21, 1923
