## Message From the East

Brethren,  
The pace has not slowed one bit. Our year is running in high gear. We are initiating **FOUR** new candidates at our Regular Communication on March 28. For convenience, we are bringing in food from Colorado Wok beforehand so we can still have some fellowship before we begin. I'm sure by the time we are done, no one will be interested in hanging around longer. If you want to join us, be sure to contact JW Chris Matthews so we can plan the food without waste.

I know the evening will go longer than usual. However, I believe we should be trying some different approaches to our programming. We need your attendance to help impress the significance of the event upon our new brethren. In order to get your input afterwards, you need to be participating. So come be a part of this major event. We are likely to have several more candidates and lots of degree work this year. We need to get feedback as we go along to make sure the results are positive for everyone.

Once again, I'm sure we will have some guests from other lodges. We don't want to be outnumbered. Also, it's a great time to get to know them for our future visits.

Speaking of visits, if there is a specific lodge you think we should go visit, please step up and let me know. I would appreciate the initiative from all members to set them up. Just let the Secretary, WB Jaymie, and me know before you commit us and so it can be put on the calendar. In addition, please note that Denver #5 will be visiting us on April 25 at our Regular Communication.
